A LETTER FROM THE ELVES

We regret to inform you that something serious has happened in The Heart of Christmas... The Magic of Christmas has disappeared!

We've checked the toy workshop, the sleigh garage, even behind the candy canes – but the magic is nowhere to be found.

That's why we, the elves, are calling on you – our most trusted team of Elf Inspectors – to help us investigate! Together, we'll observe, explore, and maybe even lend a hand (or a little bit of sparkle) as we work to bring the Magic of Christmas back.

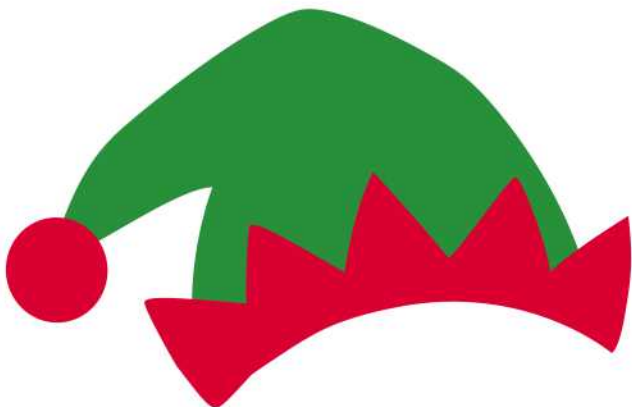

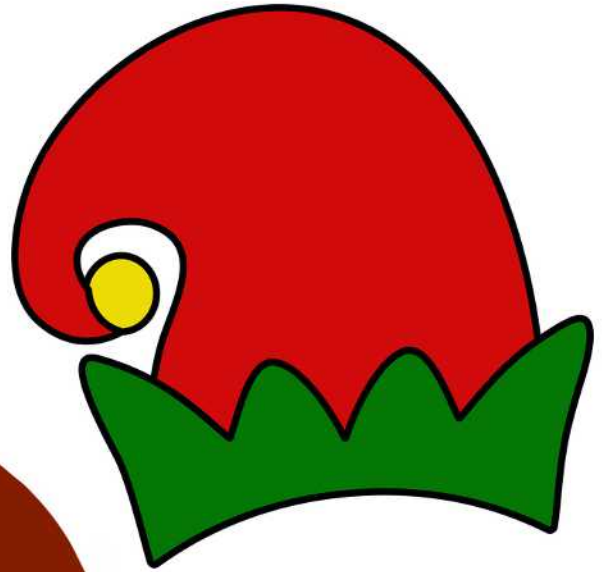

This will not be your ordinary sit-still-and-watch kind of show. Oh no! This is a fun, festive, and very wiggly multi-sensory Christmas theatre adventure – made especially for small Elf Inspectors aged 2 to 5, who love to join in, explore, and play. (And of course, their big Elf Inspector companions are welcome too – we couldn't possibly do it without you!)

So pack your curiosity,
bring your jingle bells,
and get ready to inspect!
We can't wait to see you
at The Elf Inspectors.

BUILD YOUR OWN ELF

With your grown up, cut out all the pieces and have fun building your own elf!

SPOT THE DIFFERENCE

The elves are getting ready for Christmas. Can you spot 6 differences?

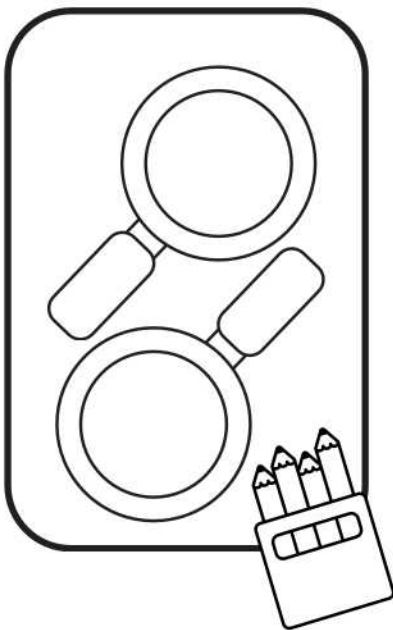

MAKE YOUR OWN MAGNIFYING GLASS

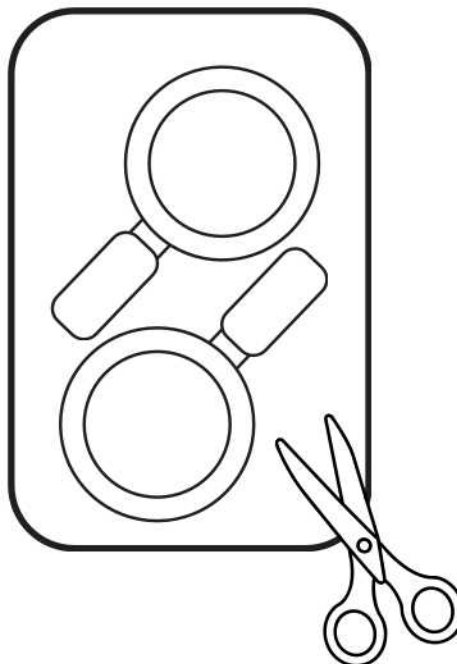

Step 1

Colour in and decorate 2 magnifying glasses. Our elves find that the more colourful a something is, the better job it does!

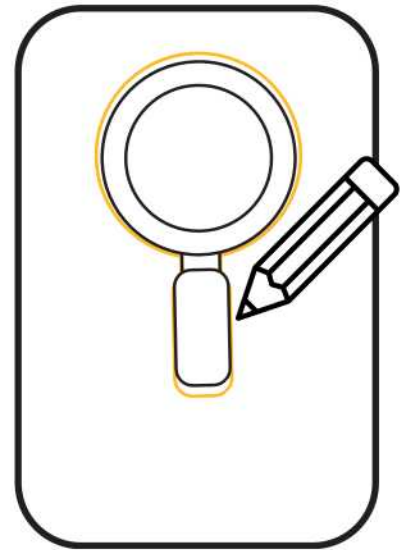

Step 2

With your grown up, carefully cut around the edge of the template and cut out the circle in the middle

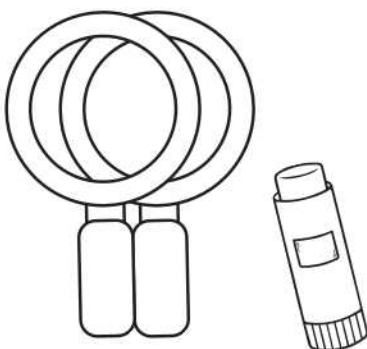

Step 3

Place your magnifying glass on a piece of card and draw around the outline. With your grown up, carefully cut it out.

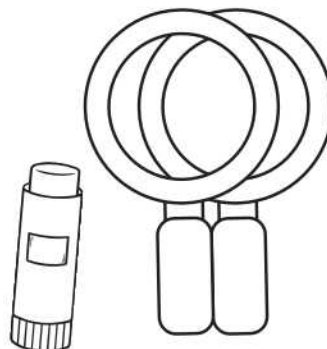

Step 4

Using glue, stick one of your decorated magnifying glasses to the card.

Step 5

Turn the card over and stick the other magnifying glass to the back.

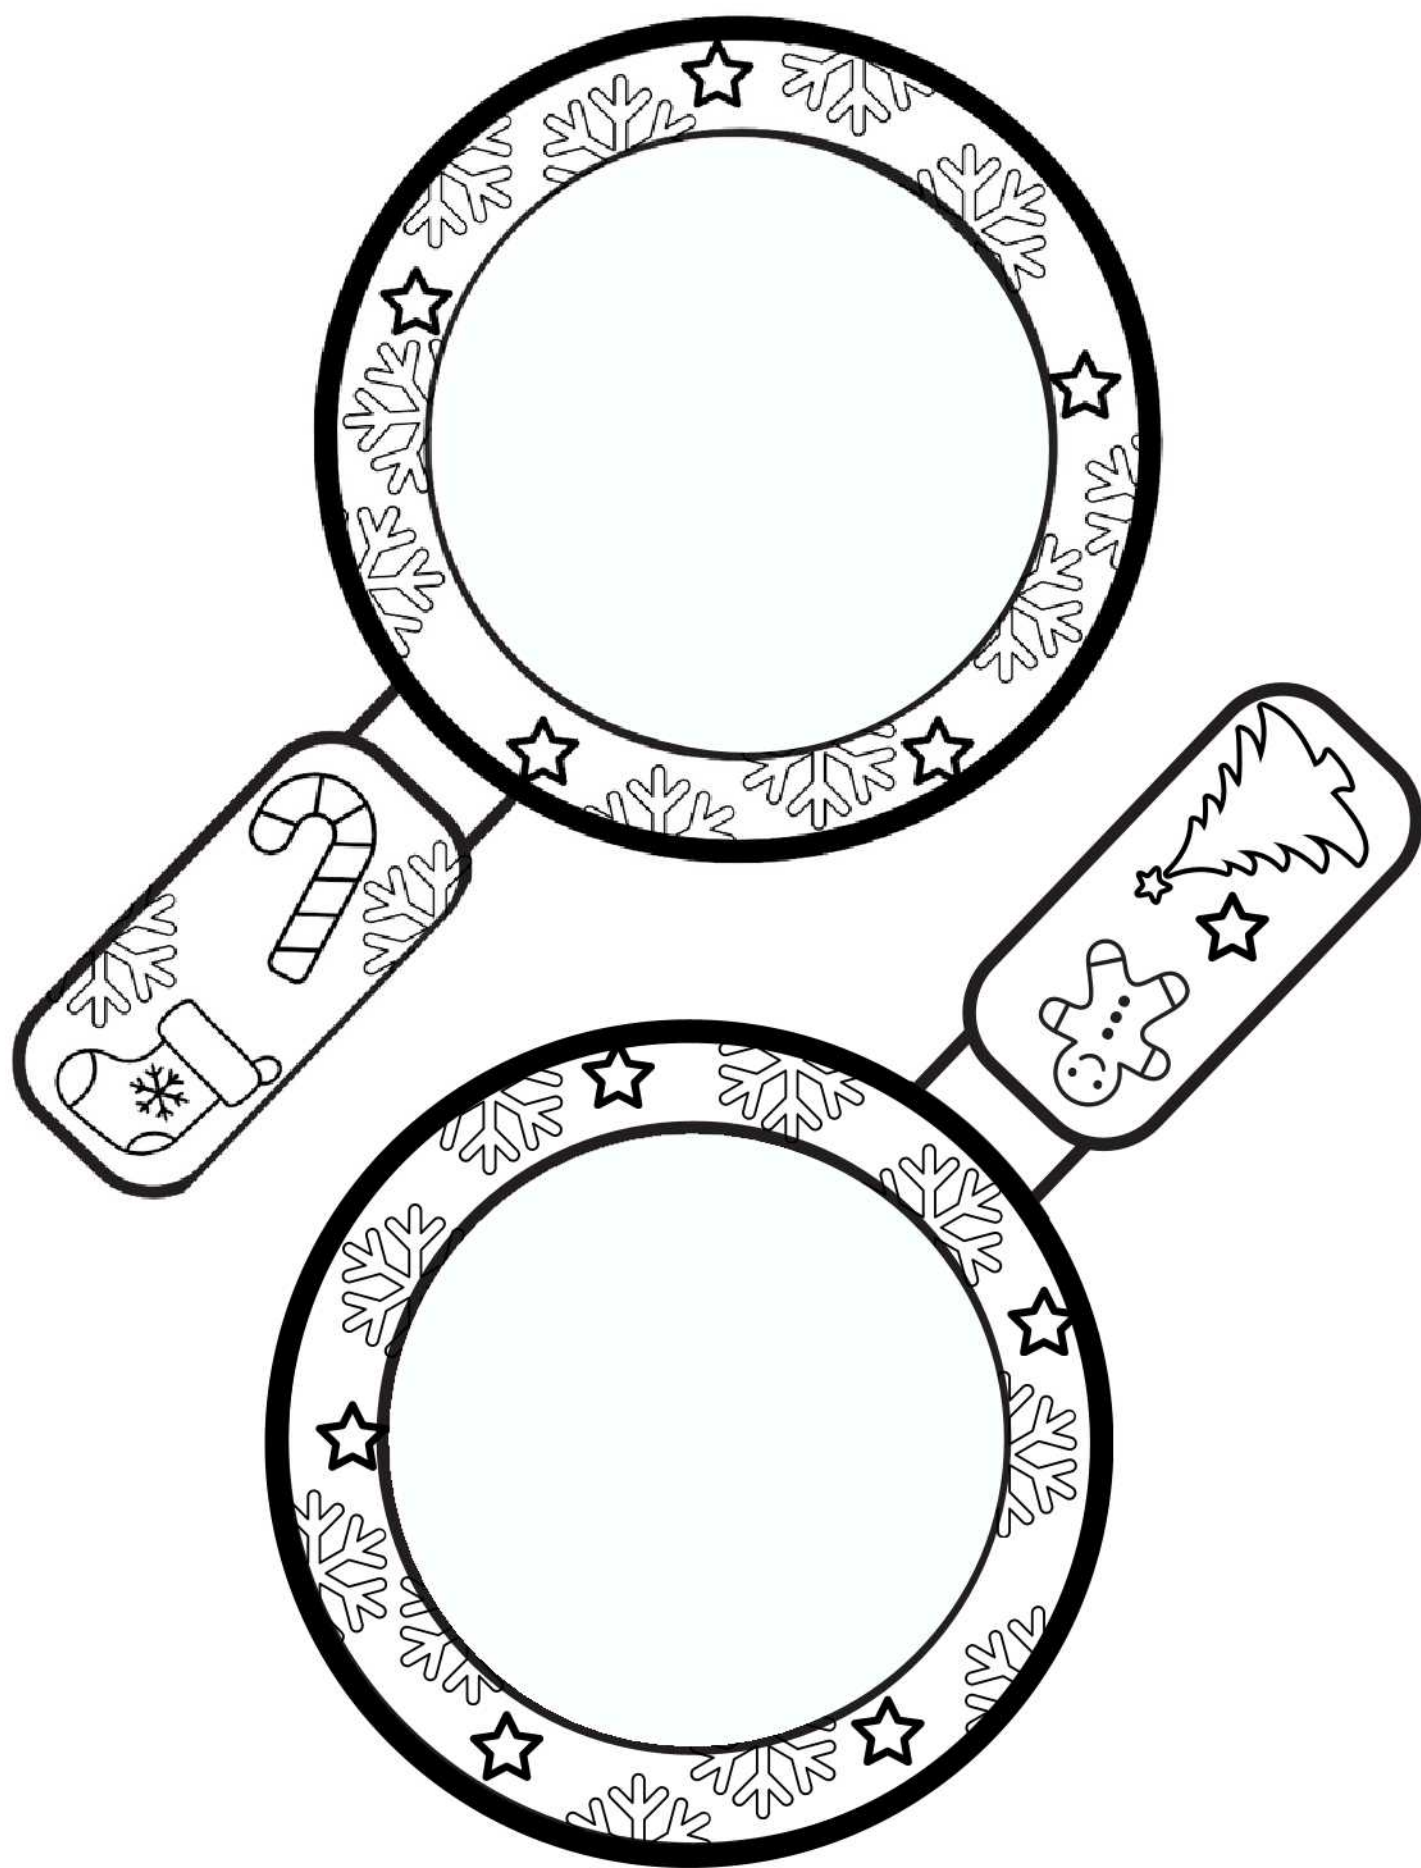

Step 6

Get exploring! You can even bring it with you to the show. There will be elves for you to find on the way and we would love to see your creations at Elf Inspector HQ!

A NOTE FOR BIG ELF INSPECTORS

We hope you enjoyed this activity pack with your little helper!

The Elf Inspectors has been specially created for children aged 2-5 – little ones who may be too young to sit through a standard theatre show but will relish the chance to get involved! It's a fun and festive multi-sensory Christmas theatre experience for all the family, brought to you by the award-winning children's theatre company, Replay.

Tickets are now available at **themaclive.com**

You can find out more about Replay Theatre Company on our website – and sign up to our mailing list so you never miss a thing: **replaytheatre.co.uk**

We wish you and your family a very happy Christmas, and we can't wait to see you at Elf Inspector HQ!
